

Letter Sets Comparison Chart

IMpreSSArt® Basic Letter Set

- A great entry level tool
- The Basic Letter Set has 27 stamps
- Each stamp is made from the same quality steel as all of the ImpressArt® stamps
- Each stamp has a small amount of tool oil applied to protect them in transit
- Each stamp does not have a character marking on the side
- The stamp set is packaged in an attractive, simple plastic case with the top cover being nested at the bottom so the stamps are visible
- The stamps are suitable for stamping on all soft metals only, namely Gold, Silver, Pewter, Alkemé, Aluminium, Bronze and Copper
- The stamps are also suitable for use on Wood, Leather, Polymer Clay and Card stock
- The Basic Letter Set is only available in Bridgette, Newsprint and Sans Serif

IMpreSSArt® Regular Letter Set

- The Regular Letter Set has 33 stamps (26 letters and 7 bonus stamps)
- Each stamp is made from a quality steel
- Each stamp is plated for a bright clean finish
- Each stamp has the character marking on the side, which makes the stamp easy to find and to align
- Each set is packaged in a "stack and store" case, making it much easier to find each letter as you need it
- The stamps are suitable for stamping on all soft metals only, namely Gold, Silver, Pewter, Alkemé, Aluminium, Bronze and Copper
- The stamps are also suitable for use on Wood, Leather, Polymer Clay and Card stock
